

Permitting Fee Documentation and Fees.

Excavation Permit Fee

Task	Time Involved (Hours)	x	Rate (\$ Hr)	=	Cost
Review of Application	.25	x	\$50	=	\$12.50
Review of Plans	.25	x	\$50	=	\$12.50
Administration/ Documentation	.25	x	\$30	=	\$7.50
Inspection (Pre and Post)	.50	x	\$50	=	\$25.00
Total Cost					\$57.50
Proposed Fee					\$57.50

Trenchless Technology and Trenching Fee: For depths greater than 48". This fee is in addition to the Excavation Permit Fee.

Task	Time Involved (Hours)	x	Rate (\$ Hr)	=	Cost
Review of Plans	.50	x	\$50	=	\$25.00
Inspection (Pre and Post)	.50	x	\$50	=	\$25.00
Mapping/ Database	.50	x	\$50	=	\$25.00
Total Cost					\$75.00
Proposed Fee					\$75.00

Obstruction Fees: An obstruction is an object permanently installed in the Right of Way meeting one or more of the following; Not installed as joint trench on new subdivisions, Height exceeds 3 feet, Footprint exceeds 16 SF, Located closer than 10 feet from back of curb, Located closer than 60 feet from a intersecting curb line, Linear underground facility with a cross sectional area exceeding 1 SF or Equipment with a underground volume of greater than 64 cubic feet

Type of Obstruction	Proposed Fee
Non Joint Trench on New Construction. (There is no valid reason for existing utilities to not participate in joint trench, to do otherwise causes congestion that add costs to future reconstruction projects)	\$0.50 Per/ LF of Mainline Utility
Above Ground Traffic Visibility Hazard. (This fee is set to encourage the purchase of easements if obstruction avoidance is not possible)	\$1500.00 Each
Below Ground Volume within the 1:1 Excavation Slope of Existing City of Annandale Facilities. (This fee is set to discourage this type of installation and compensate for extra costs during reconstruction projects)	\$500.00 Each
Linear Below Ground within the 1:1 Excavation Slope and Parallel with Existing City of Annandale Facilities. (This fee is set to discourage this type of installation and compensate for extra costs during reconstruction projects)	\$5.00 Per/LF

Degradation Fee

Type of Degradation	Proposed Fee
Turf Replacement	\$4.50 Per/ SY or by Quote Price
Pavement Restoration	\$40.00 Per/ SY or by Quote Price
