

This branch of Great River Regional Library offers a full range of services. In addition to possessing its own collection, Annandale Area Public Library can put a hold on any item from our other libraries, usually for delivery within the same week. Also, you may return items from any library of the Great River Regional Library System to the Annandale Area Public Library.

Do you need information about our programs, interlibrary loans, renewal of materials, reference assistance, etc.?

Call (320) 274-8848 or visit us at <http://www.griver.org>
